

Dave began his career with Wheelersburg Football as Peewee Coordinator in 1969 and has only missed the sidelines for one season. “Watsy” as he has become better known around the lockerroom, later moved up and spent time at both the Jr. High and Freshman Levels. “Watsy” became part of the Varsity staff in 1994 and has been ever since.

When asked what has kept him in this for so long Dave said,

“I loved working with kids and it kept me busy. Every time I was going to hang it up, the kids wanted me to stay on for one more year. There were so many good kids and this GREAT Community has always been so unreal, that I had to keep on going.” This community has always given me so much opportunity.”

This year’s theme is “Respect the W” and the Wheelersburg Community and South-east District Board want to honor and show respect to Dave Watts “Watsy” who has been committed to our Program for 50 years.
