

Wheelersburg Football 2017 State Champions

Not many believed, but the true BURG fans knew
What these young men were ready to do
With 1:27 left of their football lives
And fans on edge, closing their eyes
They took to the field, expecting to be great
To leave lasting memories of their run at the state
Did they have enough time, or would it expire?
They had no doubt as they would REACH HIGHER
Tying it up as the game clock ran out
On to OT like a heavyweight bout
As every fan stood and cheered loudly with pride
Every player could feel them right by their side
With 4th and inches the BURG needing a first down
For this win would be cherished by everyone in town
BURG called a timeout to find the perfect play call
With everyone assuming they would just run the ball
BOLD and **TOUGH** they jogged to the line
To prove they were **FEARLESS** one very last time
Our lineman foot to foot and our full back in the gun
Now everyone was surely convinced that this was a run
He caught the snap and rushed towards the line
To pick up that first down one final time
As some may have wondered or even questioned the call
He jumped off the ground to throw the football
Fans quickly scanned the field to see if anyone was around
A wide open receiver for the TOUCHDOWN!
